   o Jim Phillips published in EDUCAUSE Review:
     http://www.educause.edu/ero/article/curation-instructional-content
   o Iain Grainger (UCI) is substituting for De this quarter

3. Cross-Campus enrollment project / ILTI initiatives - Mary-Ellen Kreher
   - Slides available at: http://goo.gl/0QIZEt
   - Courses offered for Winter and Spring 2014
   - Central registration system by mid/end of November (via Jenzibar system)
   - Departments have given OK for students at other campuses to take courses, some want to limit cross campus enrollment, some want no restrictions.
   - Keith Williams is overseeing the communications hub
   - Ellen Osmundson is overseeing coordination of all ILTI projects and related tasks
   - UC Merced is providing cross-campus user support
   - Next RFP begins mid-October, closes mid/end of November

4. IMS Global- Jeff Henry (15 minutes)
   - Proposed topics for the Task Force
     - Enrollment hub: Grades, roster
     - System wide LMS integration
     - Mobile intersection with LMS
     - ILTI inter-campus course integration
   - IMS Global's work on LTI is also important for the ILTI passing for grades between LMS' (Rose)
   - We may need some representation from Extension and transferring credits from CSU system to UC (Rose)
   - We should set some communication protocols between Rob Abel and UC system (internally vs. partnership) (Jim)
   - Action Item: Email Jeff with selections for inclusion in IMS task force

5. Common Solutions Group Fall Meeting Report – Jenn Stringer
   - Slides available at: http://goo.gl/TXMc5L
   - UCB LMS transition to Canvas- Jenn Stringer
     - Slides Available at: http://goo.gl/cxouXG

6. Social media and cloud service task group update - David Levin
   - Group has met once
   - Survey on use of third party click-through tools will go out to ETLG in the next few months
