"Last Call" ISIS to Shibboleth Migration

If you haven't already started migration of your ISIS applications to Shibboleth, we STRONGLY URGE you to contact us immediately. The process is beginning to take over 1 month on average, if not longer and if you intend for your application to work when ISIS is shut off at the end of the year, you need to begin taking this seriously. We are here to help, but do not realistically expect a huge amount of work to be accomplished during the holidays. Contact Us (mailto: iamucla@ucla.edu)

IAMUCLA Stimulus Package Continues

The IAMUCLA Stimulus Package is our exciting incentive program that we hope will encourage you to migrate your ISIS application to Shibboleth as soon as possible. 

Click here for details In order to qualify for the next drawing of (2) $75 Bruin Credits, you must complete a migration before Sept 30.
