Happenings

Welcome to Shibboleth

Not much has changed on the surface, but the nuts and bolts have all been upgraded underneath. It has been a multi-year journey to get here and we thank everyone for doing their part. We have built a foundation on which further services can grow and we look forward to offering you more features in the future.

Follow Up to the recent Conference

Thank you all for coming. Click here to see resources that will help your application adapt to the new Shibboleth environment. If you have any questions, please contact us.

System Announcements
