Happenings

IAMUCLA@UCLA.EDU

It is important to remember when contacting the IAMUCLA team, you use this email address instead of sending emails to individual people. Our rotation schedule can be varied and this address ensures that you're email will get read.

We urge you to migrate if you haven't already done so. ISIS will not be supported soon.

IAMUCLA At Your Service

Even though the stimulus package is finished, we are still here to help you migrate. We are taking appointments for you to come into Murphy Hall with your materials so that we can personally help you configure your Service Provider in a one-on-one scenario. This will allow us to give you our undivided attention, putting you on the fast track towards completion.
