IAMUCLA This Week: January 4, 2010

Happenings

Happy New Year to all.

Please migrate your applications to Shibboleth if you have not already done so. ISIS will not be supported soon.

IAMUCLA At Your Service

Even though the stimulus package is finished, we are still here to help you migrate. We are taking appointments for you to come into Murphy Hall with your materials so that we can personally help you configure your Service Provider in a one-on-one scenario. This will allow us to give you our undivided attention, putting you on the fast track towards completion.
