Happenings

*Please help us deactivate your ISIS profiles*

We are working with CTS to shut down ISIS completely, but we need your cooperation. If you have any applications still using ISIS, we need to know why and when you plan to move on. You mostly likely have already been contacted regarding this and we need you to reply. **Please let us know.**

System Announcements

ISIS will be down for updates on 2/16/2010 from 6 - 6:10PM.

Spaces.ais.ucla.edu will undergo maintenance on 2/18/2010 from 6 pm to 7 pm, though we expect to not use the entire window. During this period, the server will be rebooted intermittently. Service will be interrupted.
