Happenings

Hope you had a good holiday weekend!

The IAMUCLA Stimulus Package is here! It is our exciting new incentive program that we hope will encourage you to migrate your ISIS application to Shibboleth as soon as possible.

Click here for details

Aleksandr Lipetsky from Social Science Computing & Denise Lopez from the Center of Digital Humanities are our first 2 WINNERS of the $75 Stimulus Package Bruin Card Credits! They have both been very active in migrating their applications and we thank them immensely for being pioneers of implementing this new technology.

In order to qualify for the next drawing of (5) $75 Bruin Credits, you must complete a migration before June 30.
