

IAMUCLAlogos

IAMUCLA Logos

There are two variations on the IAMUCLA logos, one geared for print/slides and one another slimmed down for web banner use. The master files are vector graphics (a process that involved some consternation) but we've included .png files here covering some common sizes.

If you really need something in a different version leave a comment or drop us an e-mail.

Presentation/Print Version

The following files are rendered at 300dpi.

800 pixels wide

- IDENTITY & ACCESS MANAGEMENT -

600 pixels wide

- IDENTITY & ACCESS MANAGEMENT -

480 pixels wide
