- **OCT. 29th, 2015** - CTG Chairs presented UC Next at the Educause Annual Conference
- **ALL Year - Lead a virtual team of Ruby on Rails Developers to BUILD UC Next**
 - a. Using AGILE methodologies:
 - i. Met weekly for a "SCRUM" session for updates and issues
 - ii. Prioritized enhancements based upon feedback from the Steering Committee
 - iii. CTG Steering Committee of UC Next met biweekly - to discuss strategy, integration projects, funding and dev priorities
