Everyone,

From the notes of our last meeting: "David Walker will convene a conference call of interested parties to discuss format, frequency, and agenda setting for future meetings." For now, I'm going to presume that agenda setting will become a group activity, so I'd also like to talk more specifically about the agenda for our next meeting.

On the off chance that this call won't be hard to schedule, I propose:

    Date and time: Thursday, 2/5/2009, 1:00p-2:00p
    Call-in number: 866-740-1260
    Access code: 7529390#

If you really want to be in this discussion but can't arrange to be in the conference call, let me know by Tuesday, 2/3/2009, and I'll propose another time. Otherwise, let's assume this is it.

David
