Dial-in Number: 866-740-1260

### Agenda

1. The 2009 work plan. See the DRAFT [UCTrust Work Group Work Plan - 2009](#) for potential items.
2. Audit requirements for UCTrust Basic and [InCommon](#) Silver. Both UCTrust Basic and [InCommon](#) Silver require that each IdP have a review of their identity management practices at least every two years. UCTrust Basic's requirement starts at the end of a campus's first two years, and some campuses have reached that point. [InCommon](#) Silver requires that a review has been done within two years prior to certification, and we will soon want to certify for [InCommon](#) Silver.
3. Creating the ITLC group in UCLA Spaces.
4. Agenda items for our April face-to-face meeting at UCSF.
