Absent:

<u>ETLG Update</u>

The proposed name change from Instructional Applications WG to Instructional Platforms was approved by the ETLG

The draft charge letter will be taken up in the subsequent meeting.

<u>OIPP update</u>

<u>OIPP metrics</u>

Discussion of which metrics to track in OIPP. Online instruction programs at our respective campuses may provide the right kind of data, but OIPP might be a very different environment. There was agreement that we should align with the UCSB evaluation effort

Action Item: Read the evaluation plan and discover gaps / areas where this group can make a difference.

<u>Other</u>

OIPP isn't the group's only focus. Meeting topics will alternate between a focus on general (charge letters) issues one week and a focus on OIPP the next meeting.

We will use a synchronous online space for the next meeting.
