UC Trust Work Group Home

The UCTrust Work Group is comprised of identity management professionals at all of UC's campuses, as well as service providers that utilize UCTrust. This group meets regularly for the following purposes:

- Discussion of technical, policy, and operational issues related to UCTrust. As appropriate, issues and recommendations are forwarded to UC's Information Technology Leadership Council (ITLC), UCTrust's governing board, for resolution and adoption.
- Discussion of technical, policy, and operational issues related to campus identity management systems with the goal of fostering effective identity management practices throughout UC.
