UCTrust Campus Contacts

This page lists information on who to contact at each campus/location for inter-campus IAM issues.

If you are looking to enable SSO for your own application, start by contacting YOUR CAMPUS' contact on this page. Your campus contact will help you initiate the UCTrust SSO configuration request process.

Location	UCTrust Contact *The IAM team contact for cross-campus planning*	Campus IAM Help Requests/Tickets *Where to send support tickets. E.g., to verify user information.*	Self-service User Information *Where users can go to look up their SSO information directly. (Not supported at all campuses.)*
